

Sterling Public Schools to destroy records:

In accordance with Section 7-109 of the Connecticut General Statutes, Sterling Public Schools will destroy inactive special education and/or section 504 records as of October 31, 2017.

Files scheduled to be destroyed include all inactive special education and section 504 records of students born in the years 1986 through 1989, students who have graduated from high school or students who moved from the district six or more years ago. Former students who wish to obtain copies of their file before destruction can call (860) 564-2720 before October 23, 2017.
